SSS Mission Statement

Student Support Services will increase the retention and graduation rate of RMCC students and contribute to a collegiate environment conducive to the success of low income, first generation, and/or disabled students by providing tutorial services; academic, career, personal, financial, transfer advising; and computer lab assistance to qualified participants. The SSS program will also provide professional development opportunities/activities to strengthen/supplement the professional skills of the staff.

The Student Support Services program at RMCC is funded in total (100%) by federal grant funding from the U.S. Department of Education, with an annual budget of \$318,829.
