

## **RMCC Four Day Work/Class Week Begins in June**

Rich Mountain Community College will initiate a four day work/class week during both summer sessions of 2009. Beginning the first week of June, the College will open Monday through Thursday from 7 a.m. – 5:30 p.m. and be closed Friday, Saturday, and Sunday.

According to RMCC President Dr. Wayne Hatcher, the decision to use this summer as a pilot project was made well before the tornado. Dr. Hatcher stated, "We are going to give this a try. The answer to if we ever do a four day week again will be determined by the level of success we document during the eight weeks this summer."
