

## ACT “Boot Camp” Sponsored by RMCC Talent Search Program

RMCC’s Educational Talent Search launched a new summer program June 28-30. The three day session was devoted to helping students who just completed their 10<sup>th</sup> grade year get a jump start on taking the ACT exam this coming school year. Thirty eight ETS students from Polk, Scott, and Montgomery counties participated all three days. Instruction was provided in math, science reasoning, reading and English. Also, students learned how to use a compass during “Basic Orienteering” and picked up some advanced calculator training on their new TI84 Silver edition calculators. Guest instructors included Judy Burnett, Lisa Schuller, Peggy Ward, Talanda Anglin, and Katie Roberts. RMCC’s Talent Search staff provided organization, meals, and transportation. The Educational Talent Search program will be accepting new participants who meet required guidelines this fall. Interested parents should direct inquiries to the ETS department at RMCC. Educational Talent Search is grant funded through the Department of Education.
