

Dr. Tom Spencer to Assist RMCC with Restoration Efforts

Dr. Tom Spencer will return to Rich Mountain Community College this summer on a temporary, part time basis as a consultant to assist in restoration efforts following the April 9 tornado. Dr. Spencer served as RMCC Interim President for five months in 2008.

According to Dr. Wayne Hatcher, RMCC President, "Dr. Spencer has years of experience with state agencies that RMCC will be working with over the course of restoration. He will be a valuable asset to the College as we get back up to full speed." Hatcher continued, "Dr. Spencer is familiar with community colleges and specifically RMCC, therefore he will be able to step right in to work with us in this process."
