

Fields Receives Presidential Transfer Scholarship

Deborah Fields, a graduate of Rich Mountain Community College, has been awarded a Presidential Transfer Scholarship to UA Fort Smith.

In speaking of her decision to attend RMCC, Fields stated “As a nontraditional student, I had not been in the classroom for over 20 years. During my time at RMCC, I have experienced life beyond my wildest expectations.”

Presidential transfer scholarships to various universities in Arkansas are available to RMCC graduates on a competitive basis through a comprehensive application process. Fields was one of four recipients of transfer scholarships at RMCC this year.
