

RMCC Junior Day brings over 500 High School Students to College Campus

Over 500 high school juniors visited the RMCC Mena campus on March 17. Students from Waldron, Mena, Ouachita River (Acorn and Oden campuses), Mount Ida, Smithville, Wickes, and Van Cove were provided tours of the campus. In addition, an overview of each technical program offered at RMCC was presented. The students had lunch at the RMCC Aviation Training Center, and students received RMCC t-shirts in their high school colors.

Tammy Young, RMCC Director of Admissions, stated the Union Bank of Mena partnered with the College as a sponsor of the First Annual RMCC Junior Day, and the bank's assistance was appreciated in making the event a tremendous success.
