

Thanks to all who made Junior Day a huge success!

On Wednesday, March 30, 2011 approximately 500+ juniors from the RMCC service area high schools attended the 2nd Annual RMCC "Junior Day" event. Schools represented at the event included; Mena High School, Bethel Christian School, Ouachita River Schools - Acorn High School and Oden High School, Cossatot River Schools - Wickes High School, Umpire High School and Van-Cove High School, Mount Ida High School, Caddo Hills High School, Waldron High School and Smithville High School.

The event consisted of a tour of the RMCC technical programs and main campus as well as a tour and presentation of the RMCC aviation program at the Mena Aviation Center. A welcome was provided by RMCC administration and local area aerospace businesses provided aviation equipment for students to view at the Mena Aviation Center. High school juniors and staff were provided lunch by RMCC and the Union Bank helped sponsor free RMCC "College is Good" t-shirts to distribute at the event.

RMCC would like to thank our area schools, aviation businesses, and the Union Bank for their contribution in making the event such a huge success!
