

Attention Community of Mena and RMCC students:

The St. John Library of RMCC is pleased to introduce the advent of Mango Languages to our services! Mango Languages is a comprehensive resource for learning any one of forty-nine different languages in a highly interactive and practical way. Lessons are based in providing common conversational skills, with instruction in use of vocabulary, pronunciation, grammar and even culture!

In our ever-changing world where language and culture continues to enrich our lives, take full advantage of this invaluable resource that is both fun and engaging. Mango will enable you to begin speaking with just your very first lesson! Imagine visiting a foreign country and being able to ask for directions while sight-seeing, order dinner or casually chat in another language!

This program is being offered for FREE to everyone in possession of an RMCC library card. So, waste no tiempo, le temps, e Zeit or time in taking full advantage of this incredible resource!
