

College Goal Sunday Successful at RMCC

RMCC welcomed 112 guests to RMCC's College Goal Sunday event on February 20 at the RMCC Mena campus. RMCC served as a host site for the statewide event set up to offer financial aid assistance in completing the Free Application for Federal Student Aid (FAFSA).

According to Mary Standerfer, RMCC Financial Aid Director, 57 students filed FAFSA applications and ADHE scholarship applications on Sunday at RMCC. Standerfer added, "Compared to last year, we had exactly the same number of students file. However, several of us helped Upward Bound (UB) students complete the FAFSA last week and those students would have otherwise attended the event on Sunday. If we were considering the UB students in our numbers, we would have an increase of 21% over last year."

For further assistance with financial aid, Standerfer can be reached at 479-394-7622 ext. 1420.
