

RMCC Student Ranks in the Top 25 GED Graduates in Arkansas

Of 7,537 GED graduates in the state, Sarah Jenkins was one of the select few who were recently recognized by the Governor's Office, the Department of Higher Education, and Arkansas Adult Education for placing in the top 25 ranking.

Jenkins traveled with her instructors, Debi Barrett and Mark Lyle to Little Rock on April 21, 2011 where she was presented with a plaque by Janice Hanlon, Director of GED Testing for the state of Arkansas.

While getting her GED made her a little nervous, Jenkins is certainly glad she did and now encourages others to attend the Adult Education classes at RMCC. She is currently enrolled as a full-time student at the college and is looking forward to a career in the medical field.

Dedicated to helping people build better lives, the Adult Education Department of Rich Mountain Community College offers open enrollment, teaches GED skills, and other employability proficiencies at no charge to the student. For more information, contact the department at (479) 394-7622 ext. 1101.
