

## Student Support Service Hall of Fame Nominee – Deborah Todd

Deborah Todd is Rich Mountain Community College's Student Support Service's (SSS) Hall of Fame Nominee for 2009-2010. Hall of Fame nominees will be recognized at the state level during TRiO Day in Little Rock on February 27.

Todd is pursuing a degree in information technology and technical certificate in database applications at RMCC. According to Todd she became interested in pursuing additional education when she first noticed a sign language course at RMCC and following that became a full time student at the College. Todd went on to say, "RMCC/SSS's staff is caring and dedicated and words will never express how much I greatly appreciate them. I believe when you sow into a person's life, as RMCC/SSS has in my life, you enable them to sow into someone else. By attending college, I want to use my skills and knowledge to reach out and make a difference in our community. The ability to go back to school by attending Rich Mountain Community College has been a tremendous blessing to me."

The Student Support Services program at RMCC is funded in total (100%) by federal grant funding from the U.S. Department of Education, with an annual budget of \$318,829. For questions and other information, please contact Lisa Rackley, Director of SSS at 479-394-7622, extension 1624.
