

Register Now for RMCC Summer Session II

Registration for RMCC Summer Session II is underway and will continue through June 25. Classes begin Monday, June 29.

Admissions and registration assistance is available at the temporary student services building located at the former Ace Building at the corner of Sherwood and Fourth Street in Mena, and at the College's Waldron and Mt. Ida locations.

RMCC's Mena classes for summer session II will be offered at the Acorn campus of the Ouachita River School District due to the restoration work taking place on RMCC's main campus. By moving summer classes off campus, construction workers will be able to move at a faster pace in the process of preparing for the reopening of the Mena campus follow the tornado.

The schedule of courses offered is available at www.rmcc.edu. For more information regarding admissions and registration at RMCC contact Tammy Young at 479-0739 x 1440.
