

RMCC Trail of Trees Followup

Rich Mountain Community College's annual Holiday Trail of Trees lighting ceremony was December 1. Over 185 people filled the campus amphitheatre to hear the MHS Spotlight Singers as the lights were turned on to usher in the month-long tree display. The lights will remain on each evening the month of December, and the community is invited to walk the trails around the back of RMCC's Mena campus to view the light display.
