

On Monday, September 26, 2011, Rich Mountain Community College held the new Student Veteran's Center Dedication ceremony at the RMCC main campus. Paul Heath, RMCC Student Veteran's Support Staff, welcomed the large crowd and recognized the student and community veterans who have served our country. Congressman Mike Ross presented the new center with an American flag that was flown over Afghanistan and our nation's capital. He also recognized the College for this "grass roots" initiative and emphasized the importance of this valuable resource for our student servicemen and women.
